About the Conference -WAVES 2021

The WAVES conference will consist of a rich variety of sessions, including an Inaugural session, Panel discussions, Plenary sessions, Keynote and Valedictory session. We have strong participation from global scholars, particularly from the USA and Belgium. University students and research scholars will also be participating in large number. This year again, we are holding virtual conference. E-Souvenir (including abstracts) will be released. WAVES Award ceremony will also be part of this year's Virtual Conference.

Registration:

Participants presenting papers or interested in attending only are requested to register their names online. There is no registration fees for the conference.
